

## Ecology Workshop

# COMMUNITY ECOLOGY IN A CHANGING WORLD

## Community Ecology and Environmental Stressors in the Context of Climate Change

October 21-22, 2025

University of South Bohemia, České Budějovice

### ABOUT THE WORKSHOP

This two-day scientific workshop invites students to engage in a collaborative exchange with international experts in the field of community ecology and environmental stressors. Each session will revolve around early-career research and foster critical, open dialogue with the guest speakers.

### INVITED GUEST SPEAKERS

- **Prof. Evelynne Franquet** – University Aix-Marseille, France
- **Dr. Pavel Kratina** – Queen Mary University of London, UK
- **Prof. Owen Petchey** – University of Zurich, Switzerland
- **Prof. Ana Previsic** – University of Zagreb, Croatia

### WHAT TO EXPECT

- Student research presentations 
- Feedback and open discussion with expert guests 
- Thematic roundtables on climate-driven stressors and ecological responses 
- Networking opportunities in a focused and friendly academic setting 

### HOW TO PARTICIPATE

For Master's and PhD students working in ecology, environmental sciences, or related fields.
